

## Students perform welcome at Government House

*Celebrating their Tsimshian heritage and the appointment of BC's first Aboriginal Lieutenant Governor, 16 students from Prince Rupert's Roosevelt Community School performed a traditional welcome at Government House for the Honorable Steven Point. As drumbeats filled the home of the Queen's representative in British Columbia, the 10 to 12-year-olds from the province's north coast donned traditional regalia to sing and dance in the salon which has played host to Queen Elizabeth, a Vatican pope and heads of state from around the world. PCC student travel funding helped make the trip possible.*
